

NO. \_\_\_\_\_  
DATE 9-7

Lara, Juan Paulo C.      CPE1151      CPE 008

### Week 1

- 8-18      2:30-3:30 pm      review study of calculus I lesson: inverse functions and limits
- 8-19      4:00-5:00 pm      advanced study of UTS lessons: psychological self, psychological perspective of the self
- 8-20      5:30-6:30 pm      advanced review of discrete math lesson: logic gates, rules of inference for upcoming quiz
- 8-21      3:30-4:30 pm      studied chemistry I lessons: units & measurements, density for upcoming quiz
- 8-22      7:00-8:00 pm      studied chemistry I discussion notes: polyatomic ions, compounds
- 8-23      3:00-4:00 pm      advanced study of calculus I lessons: limits at infinity, infinite limits, limits
- 8-24      3:30-4:30 pm      continuation of study in calculus I lessons

### Week 2

- 8-25      3:30-4:30 pm      Reviewed CPE 007 lesson: data types, operations, flow controls for quiz tomorrow
- 8-26      4:00 pm - 5:00 pm      Reviewed lessons in Calculus I for Quiz #3 tomorrow
- 8-27      5:00 pm - 6:00 pm      Advanced study of discrete math lesson: Logical equivalence & rules of inference
- 8-28      5:00 pm - 6:00 pm      Reviewed & practiced all covered modules in calculus I for prelim exams
- 8-29      10:45 am - 11:45 am      Reviewed all covered lessons in NSTP for prelim exam
- 8-30      4:00-5:00 pm      practice of problems in chemistry module I
- 8-31      4:00-5:00 pm      advanced review of all covered modules in chemistry for exams in Sept. 3

### Week 3

- 9-1      2:00-3:00 pm      studied and practiced all covered lessons in CPE 007 for prelim exams
- 9-2      7:00 pm-8:00 pm      advanced reading of UTS lesson: physical aspect of the self
- 9-3      4:30-5:30 pm      studied calculus I lesson: derivatives of trigonometric functions
- 9-4      5:00-6:00 pm      advanced study of discrete math module 3: relations and functions
- 9-5      6:00-7:00 pm      studied and practiced calculus I lesson: derivations of trigonometric functions
- 9-6      3:20-4:20 pm      advanced reading - CPE 201A networking concepts
- 9-7      6:30-6:30 pm      advanced study of UTS lesson: the sexual self
